Dear North Toronto C.I. Graduating Class of 2014,

We all celebrate your graduation from North Toronto Collegiate. We wish you well and welcome you to the even larger community of NT alumni.

The North Toronto Foundation was established in 1987 as a result of the school's successful 75th anniversary celebration. Our mission statement reads as follows:

The NTCI Foundation is committed to preserving the rich heritage and reputation of NTCI by:

- *engaging alumni by communicating with graduates and promoting alumni events;*
- *supporting NTCI students and educational activities, including fund-raising and grants;*
- *creating lasting monuments and conserving archives*

Over the years, the Foundation has made many contributions to the quality of life at NT. It was especially busy in providing funds for the Heritage Court in the new building and the celebrations for the school's 100th anniversary which included an Athletic Night, a Golf Tournament, a Music Night at Roy Thomson Hall, a Dinner-Dance at the Liberty Grand, an Open House at the School, and the production of the book *Hail! North Toronto: Celebrating a Century*.

This year, in addition to our usual commencement scholarships, we provided funds for a new scoreboard on the football field, sponsored the annual Remembrance Day service, bought new sports equipment, and sponsored an alumni golf tournament. As well, we are planning new ways to display the rich artifacts that connect the school's past with the present and to celebrate the best of NT's powerful traditions.

We hope that you will want to stay connected to North Toronto. All graduates and former teachers of North Toronto are automatically part of the Foundation. There is no membership fee. If you wish to be on the mailing list to receive our annual newsletter, sign up on-line at www.ntci.on.ca (click on Alumni) or return the enclosed form. And please, whenever you move, remember to let us know.

Yours sincerely,

Nicole Dowling (NT '91)
